## *“Angel Appeal”*

*With the holiday season upon us, Folts Homes gets underway with our seasonal Appeal.*

The “Angel Appeal” began 65 years ago, in 1943, the same year Folts Homes first opened its doors as an elder-care site. The naming of this plea was chosen with great significance, realizing that all who were involved with the Folts Homes’ mission; from the governing bodies, congregational interests and benefactors—to the caregivers of our elders—truly manifested the qualities and characteristics of the angels, namely; compassion, protection, and omnipresence.

Donations that are presented to Folts Homes through the “Angel Appeal” help to augment the many services and enhance the various programs offered to our Residents.

A gift to the Angel Appeal provides a meaningful way to benefit a wonderful cause, while honoring an individual, expressing a condolence or simply conveying good wishes. Whatever the reason for giving, it says that you care.
